A few Tips

- Your AMC does NOT need to be perfect to be judged! Judging helps you identify areas to focus on and it helps the hobby.
- You are responsible for making sure you are in the correct class.
- The AMO Concours Chairman reserves the right to make corrections if necessary.
- Your AMC will be in Junior level judging unless it has previously scored 190 points or higher in that class.
- Senior level promotion applies only to the class in which a car is entered. Your car starts with Junior level judging if entered in a different class.
- More information can be found in the Concours Rules, in the Documents section of www.amo.club
- Still not sure which class? Contact Concours Chairman Ben Scovil: benscovil@gmail.com or (302)233-5332

Good Luck!
